*Neighbors Helping Neighbors* for more than Fifty Years

Dear North Andover Seniors:

Last year NASF awarded more than 40 scholarships ranging from \$500- \$2,500, totaling over \$60,000. Our scholarships are awarded for many reasons, not only financial need or academic achievement, but also may take into consideration certain majors, career plans, National Honor Society, school and community service, music, sports, extra-curricular activities, foreign language, attending one of the Massachusetts public colleges, and more. Scholarship candidates must be residents of North Andover, high school seniors graduating from an accredited secondary school who have applied to a recognized institution for higher education, technical or vocational training.

**It's easy to apply for a NASF Scholarship! By filling out this one application, you are letting us know that you are interested in being considered for all of our scholarships.**

Just follow the directions on the following pages very carefully. You already have all the things you need to complete the process, and there are NO new essays to write.

**We encourage you to apply and look forward to considering your application. Wishing you all the best as you continue your education!**

**THURSDAY FEBRUARY 29, 2024 is the DEADLINE to EMAIL YOUR COMPLETED SCHOLARSHIP APPLICATION PACKET to [info@NAScholarship.org](mailto:info@NAScholarship.org)**

*Any problems? Email us at the above address and we'll see if we can help!*

*Neighbors Helping Neighbors* has long been the spirit behind the North Andover Scholarship Foundation (NASF), an all-volunteer, independent, non-profit organization that has awarded scholarships to more than eight hundred North Andover graduating seniors since 1964.
